Alan,

I have a tight schedule Tuesday, may be able to meet briefly in 3-4pm time. I would like someone from Wetlands Div (I've recently started a detail as deputy OWOW director) to participate, and someone from EPA Region 9 to participate. Let me check on their availability Tuesday, and let you know by message on Monday.

Dave

I am out of the office today and again on Monday morning. Can we get together on Tuesday to discuss this matter further? I would be happy to come over to your office on Tuesday - my afternoon schedule is wide open.

Hope to see you then. Thanks.

As I said, aiming to be able to get back in touch by Friday am (I'll be out in the afternoon), but if that doesn't happen, call again if you don't hear from me on Monday.

Thanks for the phone message and the offer to follow up with your folks in Region IX on the pending Rosemont mine permit. I look forward to hearing from you with a report at your convenience.

Thanks.
